**2010 BUSINESS AWARD  
FOR SAFETY**

**EMPLOYEES OF HYDRO ONE BRAMPTON**

Congratulations! What an incredible achievement — 1.5 million hours without a lost time injury – in an industry where technicians often work in adverse or dangerous conditions. This remarkable milestone goes beyond a strong workplace safety program; it is only achieved when employees put safety first, and create a dynamic safety culture where they look out for one another. The employees of Hydro One Brampton do this very well, both on and off-the-job. After work hours, they contribute many hours of volunteer time supporting community causes such as Brampton Safe City, Alzheimer Society, Heart & Stroke Foundation, Sickkids Foundation, Ride to Conquer Cancer, CIBC Run for the Cure, The Knights Table, United Way, Wellspring Cancer Support Centre and others. Thank you for being a tremendous inspiration to employee groups across our city, and for everything you do to make Brampton a great place to live.
