## 2010 NEIGHBOURHOOD SAFETY AWARD

### DRINKWATER ROAD NEIGHBOURHOOD WATCH

The residents of this neat and tidy neighbourhood have been working together in their Neighbourhood Watch program for the past two years. In the beginning they got together to address a crime concern on their street, but they soon moved beyond that when they realized they had a common desire to make their neighbourhood a great place to live. Since then, they've organized annual street barbecues and pot-luck dinners, with lots of activities for children, families and seniors. Their fun-filled block parties have turned neighbours into friends and Drinkwater Road into a caring, safe place to live. Congratulations.

Working together to make  
Brampton a Safer Community
