## Congratulations Brampton!

On Sat., Sept. 22, Brampton will be recognized by the World Health Organization (WHO) as a designated International Safe Community. This distinction has only been awarded to 115 cities worldwide since 1989. We think this is cause for celebration. . . **And you're invited.**

Bring your family and friends down to Brampton Day for an awesome community celebration (8a.m. - 1p.m.) and the WHO Designation Ceremony (11a.m.). It all starts with a free community breakfast, followed by lots of fun activities for people of all ages.
